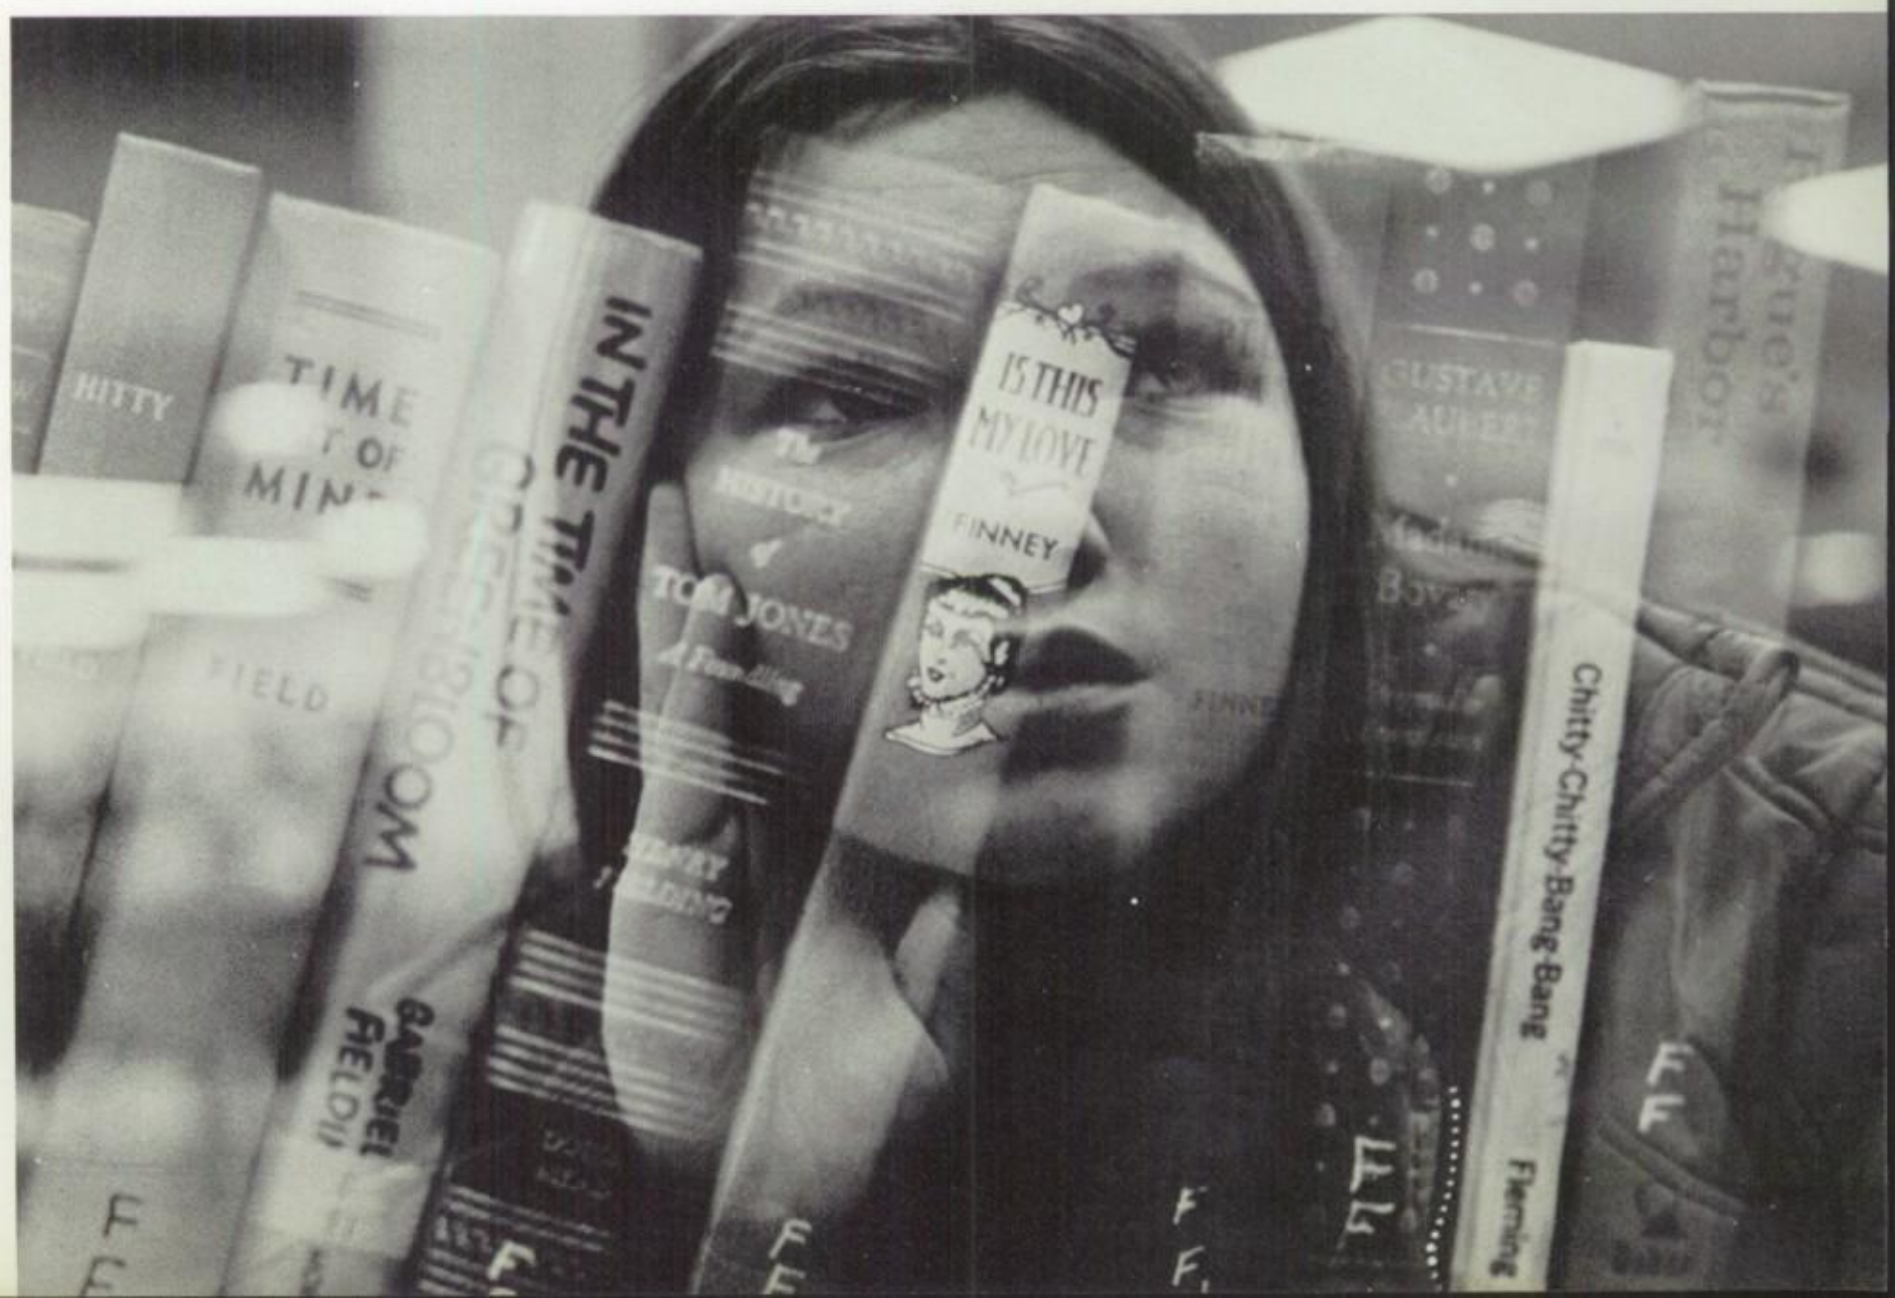
1975 . . .

A year of
looking back at the past
and
often trying to relive
THE WAY WE WERE.

"The way we were"-very important this year at Grant.

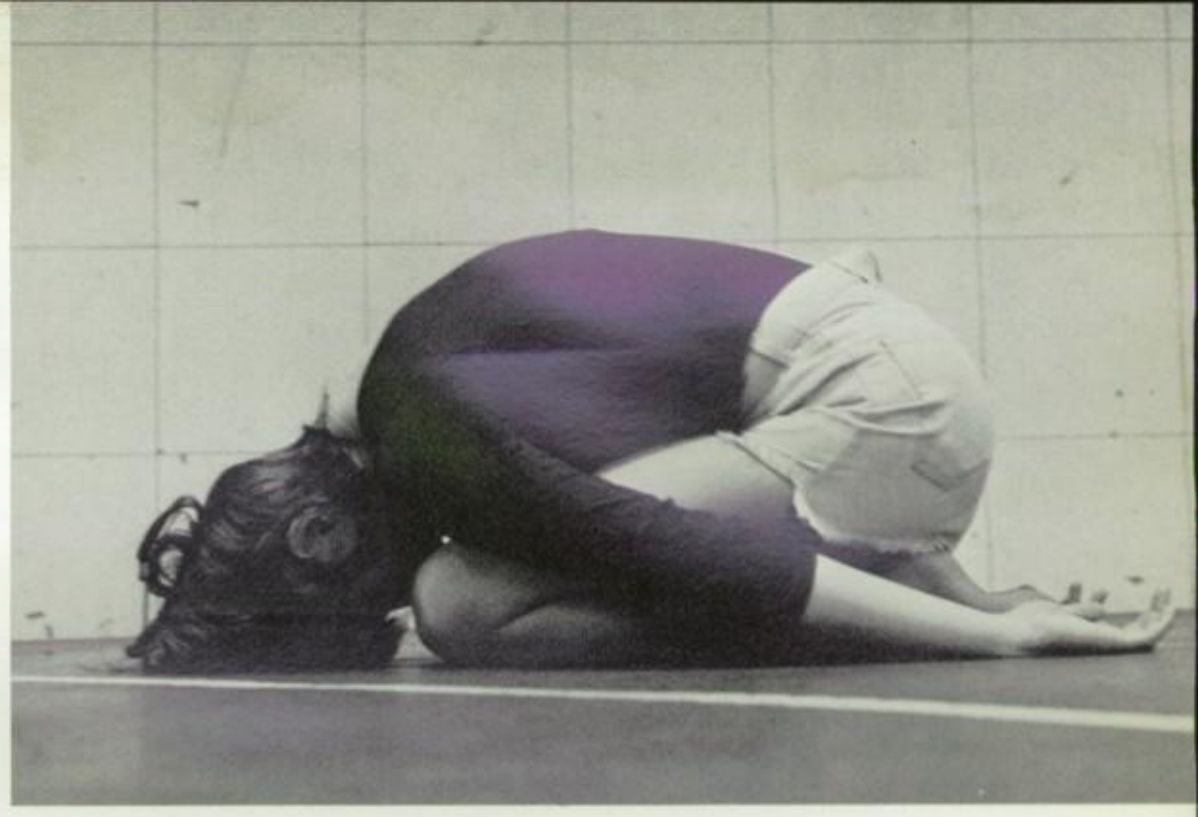
Fabulous Fifties ...
Boogie ...
AMERICAN GRAFFITTI ...
Our Last Kiss ...
The good old days ...

Memories are fine,
but what about now?
Nostalgia is fun,
but what about the present?



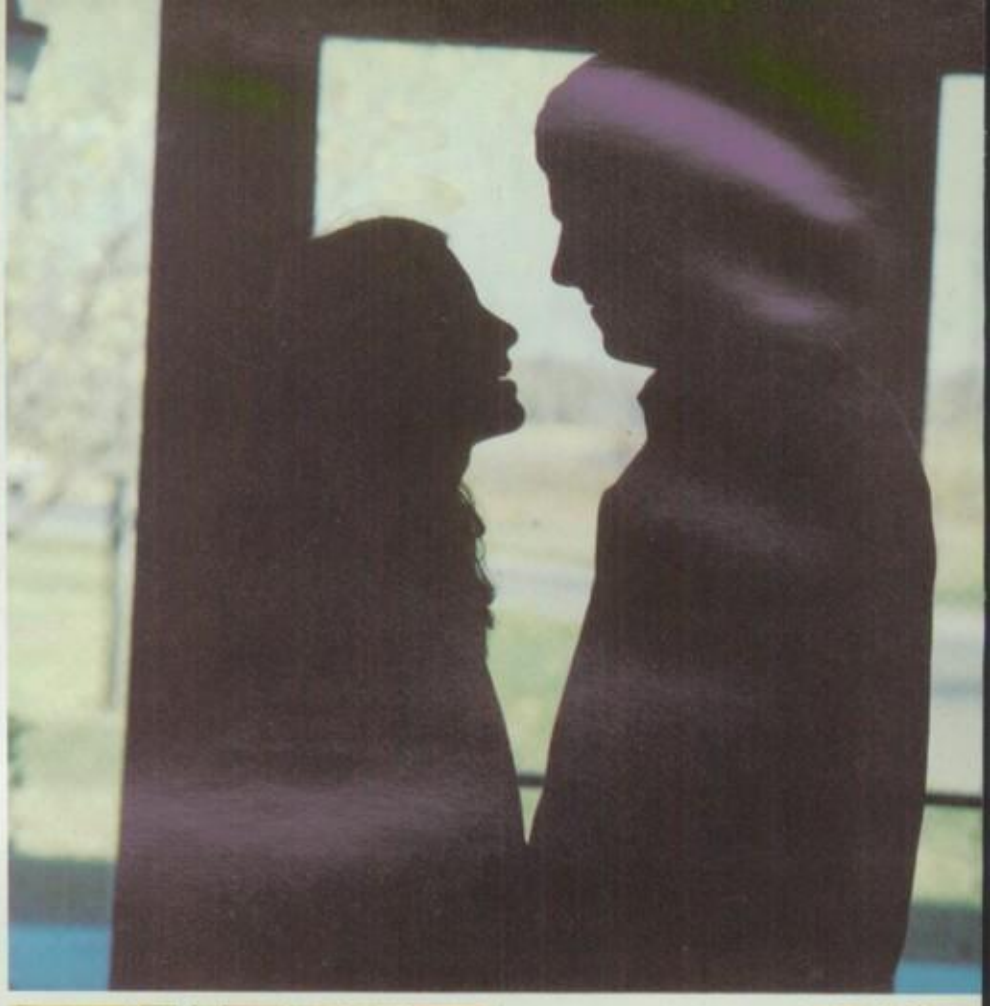
HAVE A HAPPY DAY

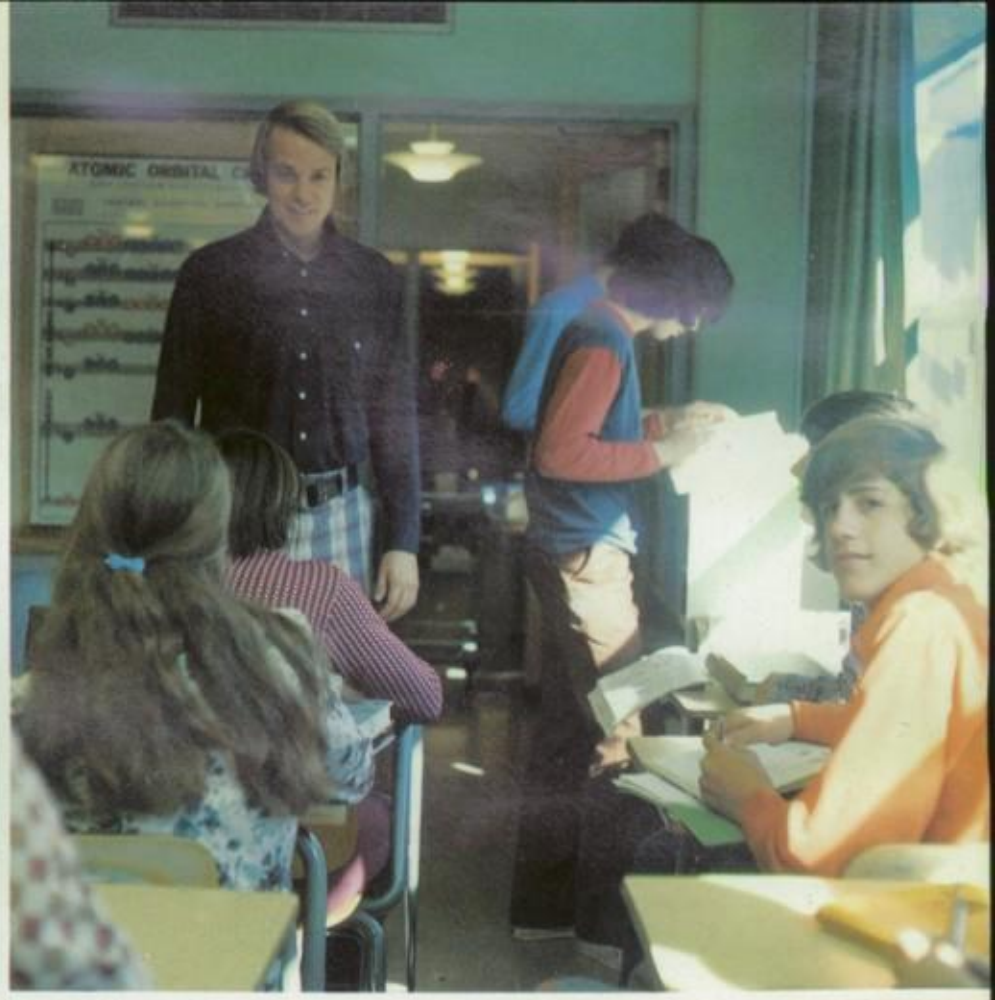
Begin the day with friendliness,
Keep friendly all day long.
Keep in your soul a friendly thought,
In your heart a friendly song.
Have in your mind a word of cheer
For all who come your way,
And they will greet you, too, in turn
And wish you a happy day.

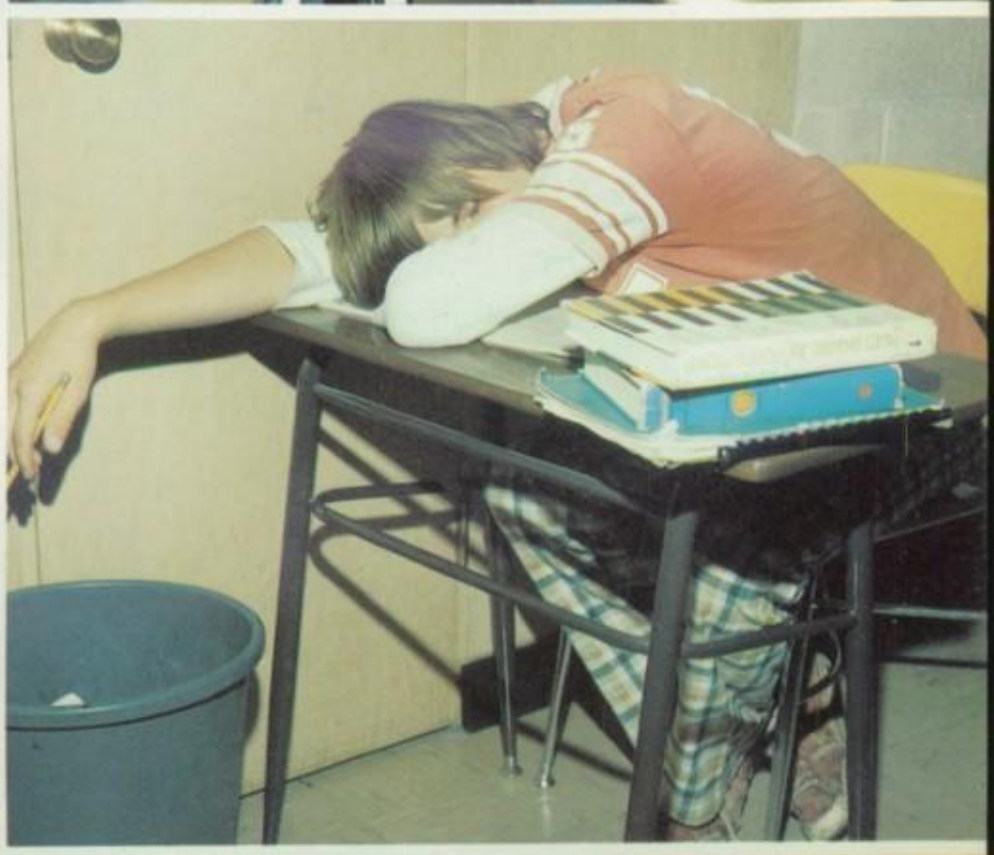


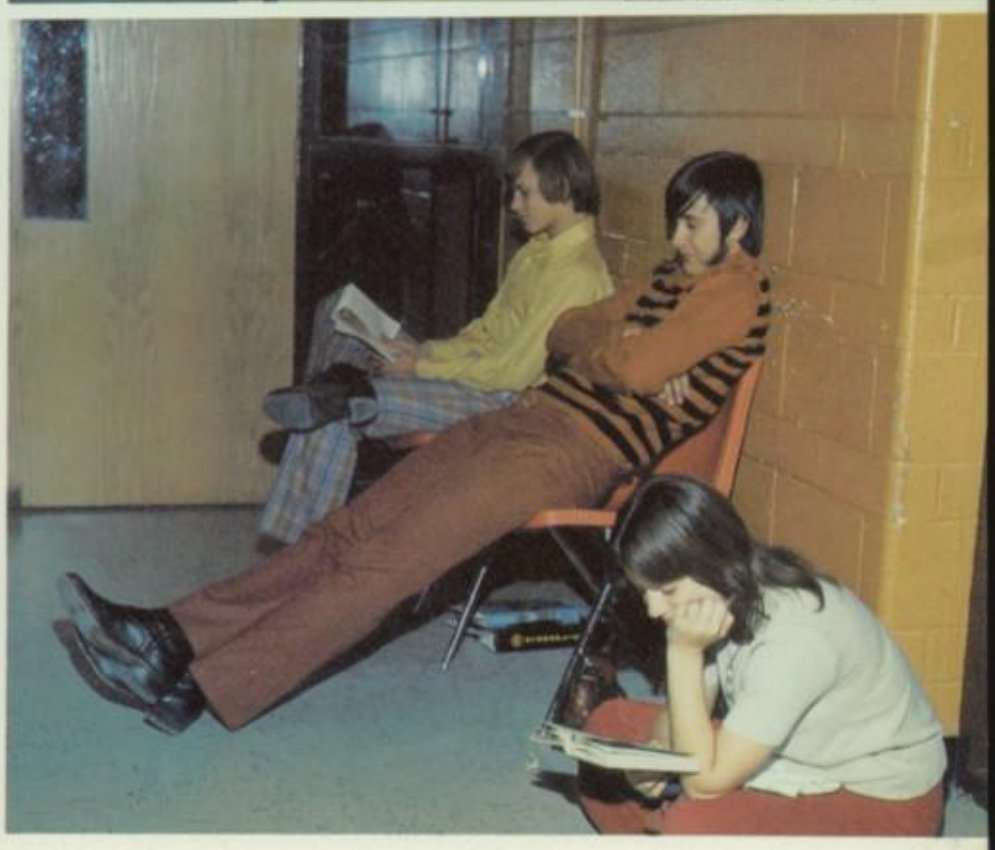
Today--
even more important than yesterday.
Not the way we WERE--
but the way we ARE.

THE WAY WE ARE









SPIRIT

What Is Spirit?

Involvement

A sense of working together for a common cause

Pride in your school

Pride in yourself

Integrity

Walking into the Antioch Theatre with a Grant jacket on

Putting a quarter in another class' jar

Wanting to beat Warren
